## About Us

Ekimpar a member of ISC. Industries Group, New Jersey, USA, was established in 2006 by combining the experience of its founders in auto spare parts manufacturing, supply and foreign trade for more than 25 years.

Under the ISC Industries Group, Ekimpar's sister companies are ; INSU Teknik Makine San. A.Ş. , a manufacturer of gas springs (ISO 16949), and GTB Kablo Sistemleri San. ve Tic. A.Ş. , (ISO 9001) a manufacturer of ignition cable sets.

Our main export markets are Eastern Europe, Russia, the Caucasus Republics, the Middle East, North Africa and South America.

The main goal of Ekimpar is to export the products of its sister companies and other Turkish made auto spare parts produced under the supervision and inspection of our own factories.

We provide a fast, reliable and affordable service and we promise our customers the best quality auto spare parts produced in Turkey with reduced purchasing costs.

Ekimpar provides a single point of contact for our customers with abundant experience in auto mechanical & electrical parts and accessories who do not want to take their chances.

Ekimpar is the address of the most reliable spare parts in Turkey.....

## En Nous Concernant

Ekimpar, un membre de l'ISC. Industries Group, New Jersey, Etats-Unis, a été créé en 2006 en combinant l'expérience de ses fondateurs dans le commerce de pièces de rechange automobile de fabrication, la fourniture et à l'étranger depuis plus de 25 ans.

Dans le cadre du Groupe des industries des ISC, sociétés sœurs sont Ekimpar; INSU Teknik Makine San. A.Ş. , Un fabricant de ressorts à gaz (ISO 16949), et GTB Kablo Sistemleri San. ve Tic. A.Ş. , (ISO 9001) un fabricant de jeux de câbles d'allumage.

Nos principaux marchés d'exportation sont l'Europe, la Russie, les républiques du Caucase, le Moyen-Orient, Afrique du Nord et Amérique du Sud.

L'objectif principal de Ekimpar consiste à exporter les produits de ses sociétés sœurs et d'autres pièces d'automobiles turcs faits de rechange produites sous la supervision et le contrôle de nos propres usines.

Nous fournissons un service rapide, fiable et abordable, et nous promettons à nos clients les meilleures pièces automobiles de rechange de qualité produites en Turquie avec des coûts d'achat réduits.

Ekimpar fournit un point de contact unique pour nos clients avec une expérience abondante dans les pièces automobiles mécaniques et électriques et des accessoires qui ne veulent pas prendre le risque.

Ekimpar est l'adresse des pièces automobiles de rechange les plus fiables en Turquie.

## Our Services

- Serve as the export department of various factories and a sourcing agency in Turkey with extensive experience in production, quality control, purchasing and export of auto mechanical and electrical parts & accessories.
- Serve as the supplier of a wide product range of auto parts with own manufacturing facilities in gas springs and ignition cable sets.
- Ability to supply some OEM parts “Made in Turkey”
- Ability to develop new products upon customers’ requests.

## Advantages & Values Offered

- **Quality Control:** The production process of your products will be closely monitored to meet your quality expectations. We can check the quality in the factories and in our warehouse before shipment.
- **On Time Delivery:** The shipment time of all your orders from different suppliers will be coordinated and shipped at once and on time.
- **Faster Lead Times:** Orders can be shipped within 2-6 weeks after their confirmation which gives us an important advantage over Chinese suppliers.
- **Reduced Purchasing Costs:**
  - Logistics Costs : Consolidating your products in our warehouse and make a single delivery.
  - Transportation Costs:
  - Import and Banking Costs:
  - Personnel Costs: Less personnel necessary to deal with various factories and paperwork.
- **Extensive Product Development Program:** The product group that you are interested can be developed with various suppliers in order to provide a larger range.
- **Supplier Search and Qualification:** We can look for the right manufacturer for the auto part you are looking for and we can provide you with full information about the qualifications of this supplier.
- **Custom Packaging and Labelling:** Custom packaging and labelling can be prepared if minimum quantities are met. This will also save a lot of labor costs.
- **Meet your Minimum Order Quantity Requests:** : In general, minimum order quantity requests are met with reasonable minimum order quantities.
- **Ability to ship your goods directly right to your warehouse at competitive prices:** We can provide competitive prices for transportation to your country/warehouse through our network of shipping companies.
